

Self-Contained Extractor EX-SC-1020P

“Forward-push” carpet extractor maximizes productivity.

Easy to use

This extractor employs manual push operation and allows the operator to clean carpet faster than a traditional “pull back” extractor. With the operator walking forward, this model cleans an average of 3,500 ft² / 241 m² of carpet per hour — productivity no other pull back extractor in its class can match.

Powerful soil removal

Remove tough soil without damaging carpet thanks to the powerful three-stage vacuum motor and vigorous brush head which agitates at 1,000 rpm.

Patented bladder tank

This highly maneuverable carpet extractor employs a unique bladder tank that expands and contracts with the solution level for greater capacity, ease of use and greater productivity.

Key Benefits

- Push-forward design allows the operator to walk forward when cleaning
- Extremely durable body construction delivers years of cleaning performance
- Solution uniformly disperses through five spray jets pumped at 100 psi / 6.9 bar

Self-Contained Extractor EX-SC-1020P

Features	Specifications*
Product Name	EX-SC-1020P
Vacuum System Vacuum motor HP Vacuum motor stages Water lift at sealed orifice Airflow through 2 in / 50 mm orifice Vacuum shoe size	1.8 hp / 1.34 kW 3 stage 137 in / 3480 mm 101 cfm / 2.86 m ³ /min 20 in / 510 mm
Recovery System Recovery tank capacity Recovery tank description	14.5 gallon/ 55 L Integrated bladder tank
Brush Drive System Brush motor amp Brush RPM Brush motor RPM Brush width Brush bristle type Brush diameter	.75 A 1200 1800 17 in / 431 mm Offset rows of nylon bristles in a chevron pattern 3.31 in / 84 mm
Solution System Solution pump amps Solution pump pressure Solution pump voltage Solution capacity Solution pump pressure Solution flow Solenoid valve Spray jets	.5 A 100 psi / 6.9 Bar 120 V 10 gal / 38 L 100 psi / 6.9 Bar 1 gpm / 3.8 L / min Electric 5 - quick disconnect
Total Power Consumption	14.2 Amps / 1710 Watts
Power Cord Power cord length Power cord type	75 ft / 23 m (detachable) 16 gauge, safety yellow
Optional Accessories	Wands, hand tools, solution and recovery hoses, etc. Contact your sales rep for more information.
Dimensions/Weight/Sound Level Length/Width/Height/Weight/Sound	L: 46.5 in / 1180 mm, W: 20 in / 510 mm, H: 37 in / 940 mm, Wt: 120 lb / 54 kg, 80 dBA
Approvals	CSA
Warranty	See your sales representative or authorized distributor for complete warranty details.
